Handcrafted Durability. Timeless Elegance.

The PCA Advantage

Specialty Hardware

PCA's Astragal
The ideal solution for French door applications!
Imagine the convenience of an unobstructed opening:

- Easily Move Furniture** in or out with NO center post
- No Hassle Access** to your grill or other in door/outdoor equipment
- Easier Spring Cleaning** with a larger unobstructed opening

Tasman® Security Lock

- Double key locking system
- Incorporated 18mm dead bolt
- Can be locked from either side
- Lever style handle
- Available in standard colors

Perfect for both in-swing and out-swing applications, the Tasman® provides superior design by coupling a double key locking system with a handle that's clean and fluid in operation.

Screen Door Deadlock

- Surface mounts on screen door frame
- Key lock on the outside
- Available in White or Black

Supplemental lock for the Eliminator handle to provide a convenient key lock option.

Your PCA Handcrafted
Screen Door will:

-  Add curb appeal and value
-  Provide fresh air
-  Add natural light
-  Lower utility bills
-  Provide extra security
-  Keep Insects out!

HANDCRAFTED
Aluminum Screen Doors

Handcrafted Screen Doors

IT'S IMPOSSIBLE TO MASS PRODUCE PERFECTION

At PCA we don't stock pile doors, we only build to order.
Your PCA door is custom handcrafted by our skilled craftsman in the USA,
made to your specifications and crafted one door at a time.

PCA doors are individually
powder-coated by hand, which
ensures a beautiful, long
lasting and durable finish

Our optional hand painted
figurines are all created the old
fashioned way by our skilled
artisans, for a truly unique and
quality finished product.
